

A List of PERFORMING AND NON PERFORMING NGOs

Ministry of Women and Child Development Government of India

Shri Rakesh Srivastava

SECRETARY
Ministry of Women and Child Development
Government of India

Foreword

The Ministry of Women and Child Development collaborates with many NGOs for the implementation of its various schemes and for conducting research studies. It is, therefore, necessary to have an updated list of NGOs who are performing well in the implementation of this Ministry's schemes.

I am very much glad to see that the Statistics Bureau of the Ministry has undertaken the painstaking process of collection, compilation and collation of information for preparing this list. This directory is the first attempt of this kind by the Ministry and it is hoped that this list will be further improvised on the basis of information and suggestions received from various stakeholders. It is also expected that other line Ministries and State Governments will also be benefitted from this list.

(Rakesh Srivastava) Secretary, MWCD

Smt. Ratna Anjan Jena

STATISTICAL ADVISER
Ministry of Women and Child Development

Preface

The Government of India implements many of its schemes with the active participation and support of the NGOs as they play an important role in accelerating the pace of implementation at the ground level. Many voluntary organizations have been working in the areas of women welfare and child development. An updated list of the performing NGOs in this area becomes a handy source of information to the government for engaging the NGOs, as and whenever required.

The Statistics Bureau of this Ministry has come out with the list of performing and non-performing NGOs working in the area of women and child development. It is hoped that this directory will be useful to the governments and other stakeholders; further improvements could be made from time to time based on inputs and suggestions received in this regard.

(Smt. Ratna Anjan Jena) Statistical Advisor, MWCD

THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT: VISION & MISSION

The Ministry of Women and Child Development is the apex body of Government of India for formulation and administration of regulations and laws related to women and child development. It came into existence as a separate Ministry with effect from 30th January, 2006; earlier, it was the Department of Women and Child Development set up in the year 1985 under the Ministry of Human Resource Development. The nodal responsibility of the Ministry is to advance the rights and concerns of women and children who together constitute 67.7% of the country's population, as per 2011 Census. The Ministry was constituted with the prime intention of addressing gaps in State action for women and children and for promoting inter-ministerial and inter-sectoral convergence to create gender equitable and child centered legislation, policies and programmes. The function of the Ministry is to promote the empowerment and protection of women and children and ensure their equitable and wholesome development.

VISION

Empowered women living with dignity and contributing as equal partners in development in an environment free from violence and discrimination, and, well-nurtured children with full opportunities for growth and development in a safe and protective environment.

MISSION - WOMEN

Promoting social and economic empowerment of women through cross-cutting policies and programmes, mainstreaming gender concerns, creating awareness about their rights and facilitating institutional and legislative support for enabling them to realize their human rights and develop to their full potential.

MISSION - CHILDREN

Ensuring development, care and protection of children through cross-cutting policies and programmes, spreading awareness about their rights and facilitating access to learning, nutrition, institutional and legislative support for enabling them to grow and develop to their full potential.

CONCEPT NOTE

The list of performing and non-performing NGOs has been prepared with the help of data given by different Bureaus of the Ministry. Data on NGOs also have been collected from various states of the country. Apart from that, data on the performance of NGOs have also been collected from the websites of the autonomous organizations like Rashtriya Mahila Kosh and Central Social Welfare Board and National Commission for Women.

The list of performing and non-performing NGOs has been prepared based on certain criteria/parameter. For identifying performing NGOs, the following criteria were set:

- i. Years in existence and association with this Ministry and its autonomous bodies.
- ii. Presently implementing or implemented any scheme of the Ministry of WCD or other Ministry.
- iii. Support available to the NGOs under Grant-in-Aid of the Research Scheme and other schemes such as Swadhar Greh, Ujjawala, STEP, Working Women's Hostel, etc. of the Ministry.
- iv. Awards and Recognition obtained by the organization or its founding members.
- v. Having registration with NGO Darpan, FCRA registration, etc.
- vi. Participation of the NGO in the Conference of NGO Partners organized by the Ministry of WCD on 9th October, 2017.

Identification of non performing NGOs was done based on the criteria as under:

- i. Currently Blacklisted, in the process of being blacklisted or had been blacklisted earlier by any Ministry, Autonomous body or agency.
- ii. Further funds being stopped to the organization by Ministries and other autonomous bodies based upon poor performance.
- iii. Defaulter
- iv. Not registered with NGO Darpan Portal.

It is hoped that this list prepared state-wise will be helpful in assisting Ministries to decide upon provision of funds or assignment of any task to the NGOs. It will also help general public to know about the performing and non-performing NGOs in their areas.
